

# HIGH POINT™ SADDLE PADS

*Rated as the best U.S.-made pad by a national publication.  
Choose from three styles: Traditional, Advantage and Everyday.*

**H140** High Point Everyday Square Dressage, Imported, 100% cotton top and lining, acrylic felt fill, white only

**H141** High Point Everyday Square All-Purpose, Imported, 100% cotton top and lining, acrylic felt fill, white only (not shown)

Designed to fit the natural shape of the horse's back, High Point Traditional and Advantage saddle pads alleviate binding at the withers or bunching up on the back. Two breathable layers lie between the 7-ounce pre-shrunk poly/cotton top and the underside, which is made of 100% cotton flannel.
