

# N.E.W. BOOTS

*New Equine Wear (N.E.W.) provide superior durability and performance. All are machine-washable in warm water.*

**N113**

**N114**

## **CROSS-COUNTRY LITE (LIGHTWEIGHT COMPETITION BOOTS)**

Light but strong boot for eventing, hunting, racing, etc. Guards protect tendons and cannon bones. Orthopedic foam lining.

*Black only; M,L*

**N113** Lightweight Competition Front Boots

**N114** Lightweight Competition Hind Boots

*Airoflow technology makes for the coolest, most comfortable boot*

## **CROSS-COUNTRY AIROFLOW® (SPORT BOOTS)**

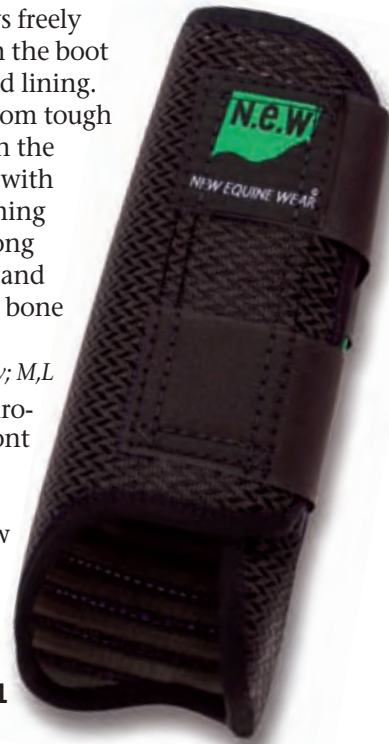

Air flows freely through the boot shell and lining. Made from tough mesh on the outside with foam lining and strong tendon and cannon bone guards.

*Black only; M,L*

**N101** Airoflow Front Boots

**N102** Airoflow Hind

**N101**

**N116**

**N115**

## **CROSS-COUNTRY FLEECE (MAXIMUM PERFORMANCE BOOTS)**

Fleece-lined boots with tendon and cannon bone guards, plus flexible fetlock and sesamoid reinforcement. For all-day wear (hunting, etc.)

*Black only; M, L*

**N115** Maximum Performance Front Boots

**N116** Maximum Performance Hind Boots

## **AIROFLOW WORKMAN (FRONT/HIND EXERCISE BOOTS)**

Same high-tech mesh and lining as Airoflow Sport Boots. Sleek design for daily work. Fits front or back legs.

*Black only; M,L*

**N125** Airoflow Exercise Boots

**N125**

### DRESSAGE BRUSHING BOOT FLEECE (DRESSAGE PROTECTION BOOTS)

Supreme comfort with unique internal strike pad, which absorbs shock but can't become unstitched. Fleece lining for maximum comfort. Recommended for all dressage work.

*White only; M, L*

**N107** Dressage Protection Front Boots

**N108** Dressage Protection Hind Boots (not shown)

**N107**

### DRESSAGE BRUSHING BOOT LITE (DRESSAGE WORKMAN BOOTS)

Daily training boots made from the same materials as the Workman Brushing Boots. Fits front or hind legs.

*White only; M, L*

**N123** Dressage Workman Boots

**N123**

### BRUSHING BOOT FLEECE (PROTECTIVE EXERCISE BOOTS)

Supreme comfort with fleece lining and unique internal strike pad which absorbs shock. Recommended for all types of riding or turnout.

*Black only; M, L*

**N119** Protective Exercise Front Boots

**N120** Protective Exercise Hind Boots (not shown)

**N119**

### BRUSHING BOOT LITE (WORKMAN BRUSHING FRONT/HIND BOOTS)

Extremely hard-wearing, yet soft and pliable with orthopedic foam lining. Can be hosed, rinsed or machine washed, then just shake dry and go riding. Fits front or hind legs; ideal for riding and turnout.

*Black only; S, M, L*

**N121** Workman Brushing Boots

**N121**

### NEW FIT OVERREACH BOOTS

Tough, tear-resistant outer fabric. Heel lock to minimize spinning. Double-fastening hook and loop. Ideal for riding and turnout.

*Black only; M, L, XL*

**N117** New Fit Boots

**N117**
